## "I wish someone would help me understand my feelings"

Everyone shares your grief at the funeral and shiva, they tell you that you will be okay with time. But, what happens when you just aren't dealing with it the way everyone says you should? What if you just feel sad, and no matter what your friends or family say you just don't understand?

At Goldsteins' Rosenberg's Raphael-Sacks we have a grief resource library that can help you understand your feelings, and find the answers you are seeking. We also have certified grief counselors who can talk with you and find ways for you to begin moving forward in the right direction.
